

Leadership Launchpad

A staff development opportunity offered by the Ohio Alliance of YMCAs

With hiring and retention of staff being one of the challenges facing Ys, the Ohio Alliance is offering Leadership Launchpad. This innovative learning opportunity is a three session program (all sessions are in-person) designed to help staff launch their YMCA career. The goals are to:

- Develop Leadership Skills
- Enhance Professional Growth
- Foster a Supportive Community
- Improve Staff Retention

Leadership Launchpad is recommended for both full and part-time staff such as program coordinators, managers, lead teachers and new program directors. Staff that successfully complete the program will achieve their YMCA Leader certification. Two identical programs are offered, one in northern Ohio and one in southern Ohio. Participants can choose the location that work best for them.
